

International Journal of Engineering and Science Invention

e-ISSN : 2319-6734

p-ISSN : 2319-6726

Contents :

Design, Construction and Testing Of a Freeze Dryer for Vegetables	01-05
Patients' perceptions of nursing service quality: a literature review	06-10
Political Leaderships In G20 Public Security Constitution Laws– Nuclear States Jurisprudence To Communist Guinea Kankan Security Council United Nation Permanent Membership Veto Power	11-15
Application status of IMB technique model in patients' self-management	16-18
The Uptake of Cadmium by Fruits Grown on Selected Agricultural Areas	19-22
Estimation of Technical Losses in Generation and 330kv Transmission Network of Nigeria National Electric Power System	23-33
Potential Use of Dredged Material from Wular Lake with Surkhi as Stabiliser	34-36
Toxicological and Antiplasmodial Suppressive Activities of Ethanolic Extracts of Orange (Citrus sinensis) peels, Grape (Citrus paradisi) and Guava (Psidium guajava) Leaves in Albino Rats.	37-44
Performance Comparison of K-Nearest Neighbors and Gaussian Naïve Bayes algorithms for Heart Disease Prediction	45-48
Biodegradability Enhancement of Polymer Polylactic Acid (PLA) by using Ultrasonic and Rheological Techniques	49-58
Recent Trends in Textile and Apparel Finishes	59-63
Quantitative Examination of Nicotine Content of Tobacco Leaves Using Spectrophotometric Method as a Means of Enlightenment Programme in Schools	64-68
Iron and Steel Slag Utilization: A Comprehensive Analysis	69-74
Extraction of Bio Gas from Vegetable Waste	75-92

IJESI

Volume 8 ~ Issue 8, Series.1 (August. - 2019)
