

# International Journal of Engineering and Science Invention

e-ISSN : 2319-6734

p-ISSN : 2319-6726

## Contents :

Evaluation Of The Efficacy Of Some Selected Indigenous Plants Leaf Extracts On Cowpea Beetle ( <i>Callosobruchus Maculatus</i> )[Coleoptera: Bruchidae] On Cowpea Seeds [( <i>Vigna Unguiculata</i> ) (L.) (Walp.)]	01-08
Physicochemical and Elemental Properties of the Discharged Wastewater from a Brewery Industry Located In Northwest Nigeria	09-16
Processes' Standardization at the "Detección, Empaque y Procesos" Organization	17-22
Transmission System In An All Terrain Vehicle	23-29
On Intuitionistic Fuzzy Ideals Of Left And Right Operator Semigroups Of $\mathcal{L}$ - Semigroups	30-37
Assessment Of Cost Implication Of Green Building In Nigeria	38-44
Optimum Evaluation of Stokes Number Influencing TIG Molten Metal Flow Pattern	45-50
Quantification Of Chloride And Sodium In Cured Meat Products	51-55
Production And Characterization Of Soda-Lime Silica Glass Using Silica Sand	56-67
Simulation Of Oncology Unit: A Construction In Simio Software From Source Until Goodness Of Fit Test	68-77
Performance of Alternative Aviation Fuel and Compatibility of Elastomeric Seals	78-81

# IJESI

Volume 9 ~ Issue 2 (February - 2020)
